

Tampering Policy

The PCWA Tampering Policy establishes policies and costs associated with damaging, disturbing, or interfering with:

- Pipe
- Water meters
- Locks
- Valves
- Cut-offs
- Switches
- Batteries and electronics
- Curb stops

or other property belonging to PCWA, all acts commonly known as "tampering", which is strictly prohibited. This includes, but is not limited to, the misappropriation of water supplied by the PCWA after service has been stopped. The policies and costs associated with tampering apply to owner occupied property, non-owner occupied property, homes in foreclosure, or others as indicated in the policy linked to below.
